STATEMENT OF THE SUBSTANCE OF MAY 16, 2005 INTERVIEW

On May 16, 2005, an interview was conducted by telephone concerning the above referenced application. Participants of the interview were Examiners Barba M. Koroma and Ashwin Mehta, and Jennifer J. Taylor. The interview did not include any exhibits or demonstrations. In response to the Office communication dated June 28, 2005, I, Jennifer J. Taylor, do hereby set forth the substance of such interview.

During the interview, and without admission as to propriety of any rejection set forth in the present Action, it was agreed to cancel rejected claims 1, 2, 5, 7, 9, 11 and 12.

Of the claims that remained pending in the application, claims 19 and 21 were discussed during the Examiner interview. It was proposed to amend claim 19 to recite a recombinant gene which comprises a coding region that encodes a product other than the potato pin1 gene product. It was also proposed during the interview to amend claim 21 to recite a transgenic plant cell. It was agreed during the Examiner interview that the amendments of claims 19 and 21 overcome the rejections placing each of claims 19 and 21 in condition for allowance.
